**MISSION STATEMENT**

With encouragement, we build confidence and leadership skills that will enhance each performer's self-esteem and artistic talent.

Dear Performing Arts Supporter,

Ovations Dance Repertory Company has enjoyed years of rich tradition and artistic expression since its founding in 1997 in New York under the artistic direction of Orlando Peña.

Established in the Greater Tampa Bay Area in 2020, ODRC is a sophisticated repertory company that offers powerful entertainment, as well as education. We provide exposure to the Arts and performance opportunities for all ages, abilities, and ethnicities, while introducing new interpretations of classic productions. It is our strongest belief that, with encouragement, we build confidence and leadership skills that will enhance each performer's self-esteem and artistic talent.

Ovations Dance Repertory Company presents multiple full-length theatrical productions annually. Your generous contributions directly support our mission by:

- Providing performer scholarships to help cover tuition and fees.
- Enabling community initiatives that allow us to partner with organizations such as Hope Villages of America and Oldsmar Cares, as well as serving underserved populations like Ukrainian refugees.
- Underwriting production support to ensure each production fosters an exceptional audience experience!
- Investing in a future performance space through our Theatre Capital Fund.

We appreciate your consideration and support!

Orlando Peña
